KITARA *Estate Reserve* CHARDONNAY

“Kitara” is named for the founders’
son “Kirk” and daughter “Tara”.
(it also translates to “come visit” in Japanese.)

Chardonnay is a white wine that sometime thinks its red.
We barrel fermented and aged this wine through ML on
new American Oak and Hungarian Oak. The secondary
fermentation (ML) creates a Chardonnay that is rich in
depth with long legs and elegant notes.

The very warm 2018 summer days combined with cool
nights makes this vintage rich, ripe and well balanced.
Enjoy the lush vanilla notes, touch of flowers, butter,
and light cinnamon spice, along with a long slow finish.

Made especially for Tara...
Enjoy with roasts, cheeses and friends.
