Sparkling Lilli RED Bright, Fun, & Deliciously Different

A beautifully rich, flavorful, fruity, fun,
and fresh sparkling wine -
named for the matriarch of the family.

Our SYRAH based sparkling wine is a fan
favorite. Don't believe us- listen to the experts:
*"If there is ever a lull in conversation, open this wine!
The tasting panel could not stop discussing it. The deeply
jeweled red hue must be the color of joy. Candied
cherry, vanilla, spice, sweet smoked cherrywood, cola,
dark cherry leather — the descriptions would not stop."*

Made with our Estate Syrah we carefully create
a spectacular juice at the crush and then carefully
make sure we get the bubbles to the right fun
consistency. Enjoy this limited release with a
good attitude, BBQ, pizza, appetizers and
many, many smiles!
