

Fruit, Earth & Spice

St JOSEF'S *2016 Estate Cuvee'* Pinot Noir Willamette Valley, Oregon

Our Grapes & Our Wine.

This special blend from our 5 sustainable vineyards is our best seller. Made with Pommard & 667 clones, this wine has rich ruby color, spice and earthiness that you expect from Pinot Noir and velvet soft lingering finish. We pick our best lots from each vineyard to get layers for fruit, and our different soil types add spice, pepper & depth to the complexity of the wine. Aged 13 months on French, Hungarian & American Oak.

St JOSEF'S

Estate Vineyards & Winery
Oregon Wine Pioneers *since 1983*

Before Micro-Brews & Artisan Coffee...there was St JOSEF'S Planted in 1978; with our first 'legal' vintage in 1983 we're one of Oregon's Wine Pioneers. Our goal is to make food-friendly wines that can enhance any meal without breaking the bank; as well as a line of reserve wines to enjoy on special occasions (like Tuesdays). We raise our own grapes from our five estate vineyards, maintained without the use of irrigation, harsh chemicals or pesticides. *Enjoy!*
