GAMAY NOIR 2019 *Grown & Made Here!*

GAMAY NOIR is not well known in America; but is the most popular grape in France. It has bright notes, with dark soft fruit & zippy finish. It is made to be fruit forward and enjoyed young. 2019 was a warm year so this wine is very dark, rich and fun to drink.

We've aged this wine on it's lees in stainless steel to keep it bright and fresh. It's made to be enjoyed with BBQ, cheeses and a good attitude. Enjoy this limited release.

Awarded 'Best in Class' in the NorthWest Wine Competition

FUN FACT

**This Gamay is grown across the street ~
made from cuttings that Carl cut while tending a block of
GAMAY during Viticulture school.**
