Estate Vineyards & Winery  
Willamette Valley, Oregon

## PINOT ROSE 2019 *Estate Grown & Made*

### Our Grapes ~ Our Wine

100% Estate Grown, light, bright with soft fruit & clean finish. We've been making ROSE wine in the Saigne' way since we started the winery 40 years ago. We take the fresh Pinot Noir grapes and drain ripe juice off right after picking and then ferment and age in stainless steel to keep the fruit fresh. It's aged on the lees for a creamy texture along with ripe pear, apricot and honey notes- This is a great patio wine!

Our sloping vineyard produces great fruit with an acid backbone that balances the forward notes. Pair it with cheeses, seafood, appetizers & friends. It makes every day seem like a sunny day.

100 % Pinot Noir

280 cases made 5.4 TA 3.3 PH

### *Oregon Wine Pioneers since 1983*

Planted in 1978; with our first 'legal' vintage in 1983- St JOSEF'S makes food-friendly wines that can enhance any meal without breaking the bank; as well as a line of reserve wines to enjoy on special occasions (like Tuesdays).

We raise our own grapes from our five estate vineyards, maintained without the use of irrigation, harsh chemicals or pesticides. We've earned both Salmon Safe and Live certifications for our sustainability.

*Enjoy!*
