## TAWNY WHITE

*Fortified White Wine*

Port Style from Oregon

Our long time barrel master has enjoyed the fruits of the cellar for the past two decades.

He has a particular penchant for the intense dried fruit, floral and bittersweet aromas of our port style wines. After the fabulous 2019 harvest he wondered why we couldn't make a barrel aged white port with our estate Chardonnay, Riesling and Pinot Gris.

And that's exactly what we did...

Beautiful white blend fortified with brandy made from our grapes and aged in oak for over one year.

50% Chardonnay, 25% Pinot Gris  
15% Riesling & 10% Gewurtztraminer

Enjoy the smooth flavors and rich finish...
