## The Venues of St Josef's

### Fountain Courtyard

The Fountain Patio, adjacent to the Winery Tasting Room, features an outdoor seating area and large terra cotta colored fountain. Shaded by umbrellas

and surrounded by the winery gardens, the patio has been a longtime favorite venue for family and guests alike. Guests often start with hors d'oeuvres & wine lingering around the outdoor fire pits, watching the winery activities before sitting down to an alfresco event in the midst of the vineyards.

Best for- groups 50-150, private tasting, summer gathering, dinners. Not recommended for- winter events.

### Fest Halle

The Fest Halle is a large joyful space adjoining the Tasting Room. It features high ceilings, painted floors and large vineyard

mural covering one wall. The Fest Halle was originally the winery bottling room and this accommodating space that works either as a seating area or equally well as a dance floor. The room opens up to Fountain Courtyard by large double doors for added event flexibility.

Best for- groups up to 72, private tasting, winter gathering, dinners. Not recommended for- kids.

### Pond Amphitheatre

A tiered garden & pond in the middle of the vineyards is one of the highlights of St Josef's Winery. A naturally spring fed pond that covers 3 acres it features a cobblestone stage area on the edge of the water. The lawn area and tiers are often used for music events and wedding ceremonies and can accommodate up to 150 guests.

Best for- larger groups 50-150, weddings, music, people who like to move around. Not recommended for-dinners, private tastings, winter events.

### Lilli Pad Shed

A restored farm building with fantastic views and rustic charm. This space has large windows and views overlooking the pond and rose amphitheater. Framed with French doors and large outside deck, fun space with relaxed charm. Best for- groups 20-50, private tasting, event rental. Not recommended for- kids.

### Crush Pad Patio & Game Lawn

Perfect for a group outing, reunion, this brick patio area overlooks the pond and creek area- but is secluded from the rest of the winery. In the fall the Crush Pad

Patio is the hub of activity for harvesting and pressing the grapes into wine. This large space can accommodate up to 150 people plus food carts, tents and more. It boasts a separate seating area with fire pit, astro-turf corn hole & bocce area. Best for- small & larger groups 30-150, private tasting, people who like to move around.

Not recommended for- winter events.

### Wein~Stube

The Wine Stube is a cozy and intimate event room behind the carved doors at the entrance to the winery.

Formerly the tasting room, it has the original wood floors, open ceiling and European atmosphere. It has hand-

made tables and vintage label art on the walls complete the room's warm, welcoming feel.

Best for- small groups 8-24, private tasting, winter gathering. Not recommended for- kids.
